**EXPORTING PRODUCTS OF ANIMAL ORIGIN AND EU APPROVAL**

To Whom it May Concern,

Further to [FS3G-109-18](#), the Food Standards Agency (FSA) would require food and drink **exporters who export products of animal origin (POAO)** to the EU to be added to the list of approved suppliers. In the event that the UK leaves the EU without a deal, the UK shall need to be listed by the EU as a third country and as such approval will be needed by the EU to allow continued export of products of animal origin.

Pecan Deluxe Candy (Europe) Ltd are not **producers** of POAO or composites of POAO and therefore do not need to be listed for EU approval.

Pecan Deluxe Candy (Europe) Ltd does not require FSA approvals but instead is registered and governed by our Local Authority. At this stage, this will remain unchanged. For further information, please refer to the Government Guidelines: <https://www.gov.uk/government/publications/trading-with-the-eu-if-theres-no-brexit-deal/trading-with-the-eu-if-theres-no-brexit-deal>

Should you require any additional clarification or discussion, please feel free to contact me directly and I will be happy to assist with any query.
